**Hello. My name is Yukiko. I live in Osaka, in Japan. I am an English student. I have two brothers. They are English students, too. We all learn English at school and in the evening we go to conversation classes. We do a lot of speaking in class – speaking English is difficult. At home I watch English clips on YouTube and sometimes I talk to other English students on the computer. I enjoy meeting new people and I like using English. It is difficult but it is lots of fun!**

**Hi, nice to meet you. My name’s Fernando. I live in São Paulo and I work in a hotel. I love speaking English. I watch English movies, too, and reading English books. I use grammar and vocabulary at home with my son – he’s 14. He enjoys English at school. He is a good student. We talk to each other in English sometimes – just for fun! But I think Portuguese is more beautiful!**
